Smap Polygons August 2020

Title
Smap Polygons August 2020

Creator
Landcare Research

Description
This layer shows the coverage of S-map polygons, labelled with their Soil mapunit - a unique identifier of one or more polygons with the same soil information. The S-map primary map layer of soil classes (i.e. delineated areas that are labelled with the soil family names) is no longer freely available to commercial users. Access to this data and associated soil attribute data for commercial use is by negotiation - contact Graeme Anderson (andersong@landcareresearch.co.nz). ACCESS to publicly available S-map data is now at S-map Soil Depth S-map Soil Drainage S-map Soil Texture S-map NZ Soil Classification
