## Soil Survey of Hauraki Plains County

**Title**  
| Soil Survey of Hauraki Plains County

**Creator**  
| Landcare Research NZ Ltd

**Publisher**  
| Landcare Research

**Description**  
| The dataset contains polygons of soils of Hauraki Plains County mapped at 1:50000. The attributes contain the soil series and the soil classification. No analytical properties of the soil are included.

**Source**  
| The Soil Survey was carried out in 1967-70 by M. McLeod, DSIR Land Resources. This map was published in 1991. It was digitised in 1991 by B.H. Luey in microstation. The data were later stored in ArcGIS. NZSC was determined in 2002. Incidental error correction has been carried out as necessary.

**Rights**  
| These data were mapped at 1:50000 and should not be used at scales greater than this.

**Rights**  
| As soil variability is usually very high, the polygons in this map are not necessarily pure and so may contain inclusions of other known, and variants of unknown soils.

**Coverage**  
| -37.454398 175.302055 -37.168315 175.653219

**Format**  
| Shapefile

**Identifier**
